Party in the Park

August 16, 2021

10AM-11:30 AM

Please bring your children for a morning of fun lawn games and popsicles. This a great time for our back-to-schoolers to kick off heading back to school.

Notes from The Mayor

Dear Community Member,

4th of July was a true Community Event. Thanks, Fire Chief, Tim Ash for allowing fireworks within the Town Limits. The Fire Chief commented that folks were reasonably respectful of each other and did a good job of cleaning up. Tim did a walk a-round of the Park the morning of the 5th and only found half of a bag of trash. Thanks to all of you!

The Town Staff has been working very hard to clean up various areas of the Community. We have a great deal more to do and there is a plan in place that goes through the next several months. Soon you will be receiving a letter which will include the Ordinances that lay out Individual Property Owner’s Responsibility. If you have any questions please call me personally at 307-630-3411.

In September, the Town will clear the woodpile on the 405 by burning it all. You are invited to cut and carry out wood. The Town Wood Pile will be open August 13, 14 & 15 from 9:00AM to 5:00PM.

Your Mayor, Carol Ash
